

## ID6SU-WE

### SELF-CONTAINED MULTI-DECK MERCHANDISER

#### ADVANTAGES

- Environmentally-friendly R-290 refrigerant that has zero ozone depletion (ODP) potential and only 3 global warming potential (GWP)
- "WE" models feature an increased refrigerant charge volume for higher efficiency and more stable product temperatures compared to lower charge cases
- Ultra-low front for maximum product visibility
- Improved air curtain reduces "cold aisle" effect while keeping dairy and deli products at optimal temperature
- Unibody construction improves integrity and insulation while also facilitating easier joining and settling
- Designed to be water resistant for easy spray-down cleaning

#### KEY FEATURES

- MicroDS™ merchandiser rejects heat through a continuous flow, closed water-loop system at store level
- Excellent future-friendly remodel solution
- Standard EcoShine II LED lighting
- Wide array of available appearance options to match any store environment
- Seamless bottom prevents potential leaks

ID6SU12W

# ID6SU-WE Self-Contained Multi-Deck Merchandiser
