

Congratulations

meijer®

On being named the 2015 Retailer of the Year by Progressive Grocer

We at Hussmann would like to add our recognition for the outstanding performance of the entire Meijer organization and its more than 220 stores in areas such as:

- Listening to and taking care of customers, and making this a top priority throughout your organization
- Taking care of your team members, who are critically important to the success of your company
- Supporting the local communities where you do business through charitable giving and support for community based activities and organizations
- Overall performance of the Meijer organization as a tough, relevant, and progressive competitor
- Building equitable and productive trading partner relationships
- Making Meijer an outstanding place to work

Hussmann's mission is Enabling Excellence in Food Retailing. Nowhere has that mission been better fulfilled than at Meijer. **Thank you for your trust in allowing Hussmann to serve your company for many years.** Again, congratulations for achieving this award. We look forward to continuing to support your growth, your success, and your focus on customers in the years ahead.
