

ConvenienceWorks®

By **HUSSMANN®**

Voted #1 in the 2018 NACS Cool New Product Showcase!

Combination Pastry Case with Warmer

Combination Side-by-Side Ambient and Heated Pastry Case

- Excellent for grocery stores, convenience stores or any format.
- High capacity merchandiser in a small footprint.
- Product flexibility to meet changing menus throughout the day.
- Superior pastry visibility: Frameless door, LED lighting and shelf placement flexibility.
- Warmer utilizes advanced technology to ensure product temperatures and moisture levels are met.
