Performance Parts

Genuine Hussmann Parts for Optimal Case Performance

Panels

- Manufactured to the same specifications and tolerances of new equipment.
- Provide straightforward installation and the look of new cases with the quality and fit you expect from Hussmann.

The Right Parts

- Panels made to original specifications will align properly and make the case look new for enhanced store appearance.
- Manufactured on the same equipment as the original panels meeting the tolerances and quality checks of the originals for a guaranteed fit.
- With access to original case bill of materials and options, the correct parts needed are accurately identified and provided for modification-free installs.
- Choose from over 220 paint colors currently available to create an appealing store atmosphere.

Long Lasting Panels

- Correct galvanized steel used to meet original manufacturing specifications for corrosion resistance.
- Polyester powder-coat paint resists scratching and chipping from store traffic.
- Seven stage wash and pre-treat process to ensure excellent paint adhesion.
- Extended baking time with daily testing to ensure maximum paint durability.

Hussmann original parts that fit right and keep your equipment running like new.

We are your experts in display cases and refrigeration systems, and we provide parts that will deliver optimized performance for all Hussmann equipment.
