Freedom Line Reach-In Merchandisers for Frozen Food, Ice Cream, and Medium Applications

www.hussmann.com
Hussmann Freedom Line Reach-In Merchandisers for Frozen Food, Ice Cream, and Medium Temperature Applications

**RFL - Reach-In, Freedom Line, Low Temp**
**RFM - Reach-In, Freedom Line, Medium Temp**

**Features and Benefits**
- Freedom Line cases provide the flexibility of field-installed refrigeration on top of the case or from a remote location.
- Suitable for heavy shopping environments.
- Superior energy efficiency.
- Excellent product temperature consistency throughout the refrigerated space.
- Now allows use of 26” shelves, increasing merchandise pack-out.
- Coil mounted in the case bottom for larger cubic capacity.

**Options Include**
- Up to 26” shelves now available for these models.
- Various shelves, racks, lighting, paint, and bumper colors.
- Innovator, Innovator I LE, and Innovator III doors available.
- Top-mounted or remote refrigeration.
- Base case cut-down kit available to allow entrance through an 82” door.
- Canopy and condensing unit are field installed.
