Total Walk-In and Freezer Solutions... FOR YOUR CONVENIENCE AND SMALL FORMAT STORE NEEDS.

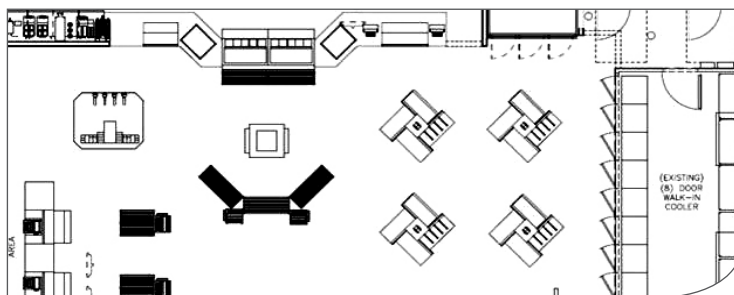

HAVE A PLAN

Attract shoppers with integrated store design that boost visual impact, traffic flow and shopping experience with Walk-Ins Coolers and Freezers.

ConvenienceWorks by Hussmann works with you to create total Convenience and Small Format Store solutions **to maximize your sales and profits.**

- Overall construction of your food retailing space starts by working with a CAD plan and developing a site-specific layout for your Walk-Ins and Freezers.
- Choose from a range of styles: Cooler/Freezer combination pieces, L-Shaped Coolers, Retail Freezers, Beer Caves, Storage Units, Blast Freezers and many other options.
- Common specifications include:
 - Self-closing entry doors with plunger
 - 26ga embossed galvanized interior and exterior color
 - 3.5" walls for Coolers, 5" walls on Freezers
