Note

Use Hussmann's technical data sheets to get precise dimensions for all store layout purposes.

Features and Benefits:

- EcoVision glass doors provide excellent product visibility and reduce refrigeration energy use up to 82%.
- Ultra low front for additional product facings.
- Narrow 24" french doors preserve aisle space.
- No heat required in doors or frames.
- Energy efficient coils standard.
- 5 year modular coil warranty.

Options Include:

- Various shelves, racks, lighting, paint and bumper colors.
- Door frames, trim and handles available in gray and black.
- Streamline or contour styling.
- Illuminated canopy signs.

DOE 2017 Energy Efficiency Compliant Hussmann refrigerated merchandisers configured for sale for use in the United States meet or surpass the requirements of the DOE 2017 energy efficiency standards.

NOTE: These merchandisers are designed for use in stores when temperature and humidity do not exceed 75°F and 55% R.H.

NOTE: We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions, or replacements for equipment previously sold or shipped.
