### Note

Use Hussmann's technical data sheets to get precise dimensions for all store layout purposes.

### Features / Benefits

- The Insight IDD6NU case is an extra-tall, narrow multi-deck dairy display with EcoVision glass doors for exceptional product visibility with extremely low energy costs. EcoVision High Ambient doors also available.
- Superior Food Quality
  - More stable and uniform product temperatures to maintain freshness
  - Shorter defrost cycles protect food integrity
- Energy and Sustainability Benefits
  - Insight cases with EcoVision glass doors save up to 20% energy vs previous Hussmann cases with doors, up to 75% energy than similar Insight dairy cases without doors, and up to 80% energy than previous Hussmann cases without doors
  - EcoShine II LED lights standard, up to 71% more efficient than fluorescents
  - Over 30% less refrigerant in coils vs. previous coil designs
- Better Structural Integrity
  - Unibody construction improves integrity, facilitates moving, joining, and setting cases
  - Additional new features simplify installation
- Easier to Clean, Better Sanitation
  - Electrical parts/connections in splash zone can be sprayed with water, rated IP 67
  - New anti-clog drain strainer
  - Coil in back wall and flip-up fan plenums for easy-to-clean case bottom
  - Seamless plastic "bathtub" bottom helps prevent leaks
- Easier Service
  - Wiring raceway in canopy for easy access
  - Flip-up access door on optional bottom rack for easy access to drain, fans, and valves
  - Standard LED lights reduce relamping and other maintenance costs
- Superior Merchandising
  - Ellipse and faceted design options to align with store image
  - EcoShine II LED lighting standard, customized for optimal product lighting
  - EcoVision glass doors provide excellent product visibility and merchandising impact

### Options

- EcoVision High Ambient doors available for stores with higher temperature and/or humidity levels
- Various ends, lighting, shelves, racks, paint, and bumper colors
- Two basic styling options, ellipse and faceted, are available
- Flip-up bottom rack for easier cleaning/service
- Sign-ready canopy fascia panel

Hussmann refrigerated merchandisers configured for sale for use in the United States meet or surpass the requirements of the DOE 2017 energy efficiency standards.

NOTE: These merchandisers are designed for use in stores when temperature and humidity do not exceed 75°F (23.9°C) and 55% R.H.

NOTE: We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions, or replacements for equipment previously sold or shipped.
