Note

Use Husmann's technical data sheets to get precise dimensions for all store layout purposes.

Features / Benefits

- 90° Inside Wedge can be used with IP4SL parent cases to create a 90° inward turn in a line-up
- DOE 2017 compliant energy performance
- Flexible shelf positions
- Additional Insight wedges may be available. Consult Husmann sales representative.

Options

- Various paint and bumper colors
- Various shelf sizes
- Optional shelf lighting

Husmann refrigerated merchandisers configured for sale for use in the United States meet or surpass the requirements of the DOE 2017 energy efficiency standards.

NOTE: These merchandisers are designed for use in stores when temperature and humidity do not exceed 75°F (23.9°C) and 55% R.H.

NOTE: We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions, or replacements for equipment previously sold or shipped.
