# Husmann Q-Series Single-Deck Service, Straight Glass Merchandiser for Deli and Cheese Applications

## Q1-DS

### Quality Fit and Finish

Designed for ease of installation: it has a simplified glass adjustment with a special alignment design that assures fit and does not require unsightly joint trim.

### Merchandising Flair

Enhanced product visibility with solid surface faces and unobstructed product view.

### Ergonomic Design

Large rear door opening and steep angle allow for ease of access to product.

## Q1-DS Remote

Lengths: 4', 5', 6', 8', 9', 10', and 12'

Wedges: 22.5° inside and outside wedges

45° inside and outside wedges

90° outside wedge

Husmann refrigerated merchandisers configured for sale for use in the United States meet or surpass the requirements of the DOE 2017 energy efficiency standards.

\* Some optional features may need to be certified by UL, NSF, and/or other 3rd party certification agencies. Contact Husmann for verification or questions for availability.

† Only lighting configurations that are compliant with the U.S. Dept. of Energy (DOE) 2017 regulation are available for sale for use in the U.S.A.

NOTE: These merchandisers are designed for use in stores when temperature and humidity do not exceed 75°F and 55% R.H. We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions, or replacements for equipment previously sold or shipped.

For additional resources, contact your representative or visit [www.husmann.com](http://www.husmann.com).

Note. Use Husmann's technical data sheets to get precise dimensions for all store layout purposes.
