Husmann Q-Series Frozen Service Merchandiser with Straight or Curved Glass

Q1-LS/Q1-LC

Versatile Merchandising
Perfect for high-end frozen products such as lobster, shrimp, and other seafood; cakes and frozen fruit for smoothies.

Increase Impulse Buys
Increase cross selling sales with low temperature service products.

Ergonomics
Rear doors allow easy access for working this case - both servicing customers and stocking.

Clean Line-Up Transitions
Line-ups flow smoothly - above shows Q-Series body styling. Fresh seafood or meat can go right next to this case.

Enhanced Visibility
with new glass front product stop.

Remote Lengths: 4', 6', and 8'

Q1-LS

Q1-LC

Husmann merchandisers are designed to meet the DOE 2017 energy efficiency standards.

* Some optional features may need to be certified by UL, NSF, and/or other 3rd party certification agencies. Contact Husmann for verification or questions for availability.

† Only lighting configurations that are compliant with the U.S. Dept. of Energy (DOE) 2017 regulation are available for sale for use in the U.S.A.

NOTE: These merchandisers are designed for use in stores when temperature and humidity do not exceed 75°F and 55% R.H. We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions, or replacements for equipment previously sold or shipped.

For additional resources, contact your representative or visit www.husmann.com.

Note.
Use Husmann's technical data sheets to get precise dimensions for all store layout purposes.
