# Husmann Q-Series Multi-Deck, Self-Service Merchandiser for Deli, Cheese, Produce, and Beverage Applications

## Q2-SS, Q3-SS

### Design Styling

Solid surface front ledge and top add that elegant touch to tell your customers you appreciate them.

### Merchandising Flexibility

New, easy adjust shelf tilts 0° and 15°. Allows for multiple rows, optional step displays, and other flexible configurations.

### Product Integrity

All metal construction, 5 year warranty coils, and quality materials assure a long product life cycle.

### Energy Impact: LED Lighting

The Q3-SP unmatched energy efficiency utilizes LED lighting and more efficient refrigeration units for 50% energy savings (over T-8).  
- 5-10 year lamp life.  
- Excellent product illumination.  
- Perfect for dimming or on/off operation.

### Q2-SS Lengths:

4' (Q2-SS-4R)  
8' (Q2-SS-8R)  
12' (Q2-SS-12R)

Husmann refrigerated merchandisers configured for sale for use in the United States meet or surpass the requirements of the DOE 2017 energy efficiency standards.

\* Some optional features may need to be certified by UL, NSF, and/or other 3rd party certification agencies. Contact Husmann for verification or questions for availability.

Only lighting configurations that are compliant with the U.S. Dept. of Energy (DOE) 2017 regulation are available for sale for use in the U.S.A.

NOTE: These merchandisers are designed for use in stores when temperature and humidity do not exceed 75°F and 55% R.H. We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions, or replacements for equipment previously sold or shipped.

For additional resources, contact your representative or visit [www.husmann.com](http://www.husmann.com).

### Note.

Use Husmann's technical data sheets to get precise dimensions for all store layout purposes.
