Husmann Q-Series Multi-Deck Bakery Merchandiser with Curved Glass - Service Refrigerated or Dry

Q3-BC

Merchandising Visibility

Optional curved non-glare glass and built-in air sweep assures the product looks great.

Merchandising Flair

Stylish clean lines combined with sleek design elements create enhanced product visibility. Granite or solid-surface design allows for an amazing merchandising display unlike other service cases.

LED Lighting

- 50% energy savings over 8.
- 5-10 year lamp life.
- Excellent product illumination.
- Perfect for dimming or On/Off operation.

Quality Fit and Finish

Designed for ease of installation... it has a simplified glass adjustment with a special alignment design that assures fit - does not require unsightly joint trim.

Ergonomic Design

Large rear door opening and steep angle allow for ease of access to product.

Q3-BC-R (Remote) and Q3-BC-D (Dry)

Lengths: 4', 5', 6', 8', 10', and 12'

Wedges: 22.5° inside/outside wedges, 45° inside/outside wedges

Q3-BC/S-R/D

DOE 2017 Energy Efficiency Compliant

Husmann refrigerated merchandisers configured for sale for use in the United States meet or surpass the requirements of the DOE 2017 energy efficiency standards.

* Some optional features may need to be certified by UL, NSF, and/or other 3rd party certification agencies. Contact Husmann for verification or questions for availability.

† Only lighting configurations that are compliant with the U.S. Dept. of Energy (DOE) 2017 regulation are available for sale for use in the U.S.A.

NOTE: These merchandisers are designed for use in stores when temperature and humidity do not exceed 75°F and 55% R.H. We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions, or replacements for equipment previously sold or shipped.

For additional resources, contact your representative or visit www.husmann.com.

Note.

Use Husmann's technical data sheets to get precise dimensions for all store layout purposes.
