Husmann Refrigerated Service and Self-Service Bakery Merchandiser with Rear Storage - Straight or Curved Glass

R3B, CR3B

Versatility
This 3 Zone Merchandiser sets the pace for its segment. It allows for self-service, service, and extra storage all in a small footprint. Having a full range of configurations atop a high-capacity self-service case, the R3 Family redefines what a merchandiser should be.

Clear View
Heated air sweep eliminates glass sweating maintaining a clear, unobstructed view to product.

Product Integrity
Proven reliability and performance in Husmann's modular coil package. Our 5 year warranty is the best available.

All Metal Construction
Ensures durable and reliable service life.

More Product Area
Self-service merchandising area increased over 25% deeper shelf - 16" and a deeper deck - 26".

Remote Lengths:
4', 5', 6', 8', 10', and 12'

Husmann refrigerated merchandisers configured for sale for use in the United States meet or surpass the requirements of the DOE 2017 energy efficiency standards.

* Some optional features may need to be certified by UL, NSF, and/or other 3rd party certification agencies. Contact Husmann for verification or questions for availability.

† Only lighting configurations that are compliant with the U.S. Dept. of Energy (DOE) 2017 regulation are available for sale for use in the U.S.A.

NOTE: These merchandisers are designed for use in stores when temperature and humidity do not exceed 75°F and 55% R.H. We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions, or replacements for equipment previously sold or shipped.

For additional resources, contact your representative or visit www.husmann.com.

Note.
Use Husmann's technical data sheets to get precise dimensions for all store layout purposes.
