# Hussmann Refrigerated Service, Self-Service Drop-In Module

## RDI - Designed for installation into the top of a dry service or self-service counter

**Product Integrity**

Combination under refrigeration combined with over product air screen insures product temperature and freshness.

**Flexible Merchandising**

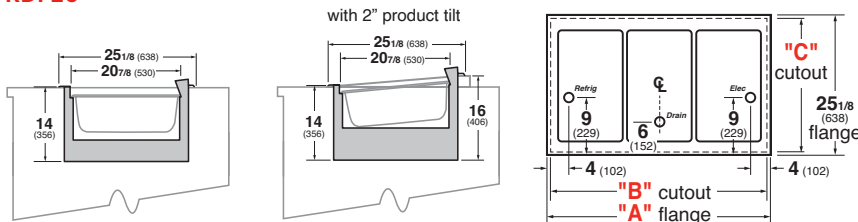

Drop-in refrigerated unit can be merchandised with standard pans, solid surface inserts, or merchandised directly on the stainless deck.

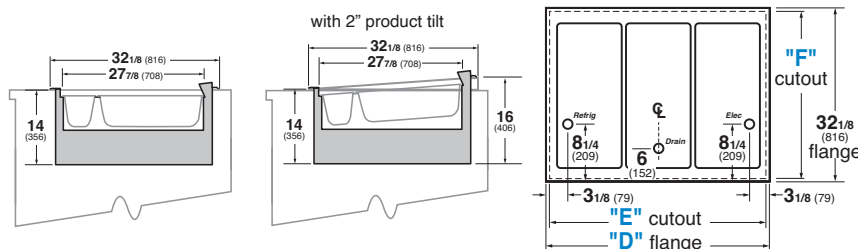

**Flexible Design**

Design allows for drop-in use into an existing counter, or use in a Hussmann custom food court (FC) counter.
