## Plan View

Dimensions	2 DOOR	3 DOOR	4 DOOR	5 DOOR
A	62 (1575)	92 1/2 (2350)	122 7/8 (3121)	153 3/8 (3896)

### Notes:

Case-to-case electrical connections are made in front of splashguard.  
Overall case length without ends or partitions.

## Note

Use Hussmann's technical data sheets to get precise dimensions for all store layout purposes.

## Features and Benefits

- The RLNS and RMNS have been designed for easy installation, low energy cost and great merchandising.
- The shorter height (79 5/8") and narrower footprint (35 1/2" without handle or bumper) allow the RLNS or RMNS to fit through a standard doorway.
- Innovator doors for exceptional efficiency. Two doors available:
  - Innovator for extreme ambient conditions
  - Innovator III for all ambient conditions plus high efficiency
- EcoShine II and II Plus LED lights for dramatic visual impact and excellent efficiency.
- Reflective door mullions extend the visual impact of merchandise.
- Microban® antimicrobial protection on door handles and shelves.
- Narrow footprint keeps required floor space to a minimum.

## Options Include

- Various shelves, racks, lighting, paint, and bumper colors.

Hussmann refrigerated merchandisers configured for sale for use in the United States meet or surpass the requirements of the DOE 2017 energy efficiency standards.

NOTE: These merchandisers are designed for use in stores when temperature and humidity do not exceed 75°F and 55% R.H.

NOTE: We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions, or replacements for equipment previously sold or shipped.
