Ambient Self Service Pastry Merchandiser

SF Series Pastry Case

Multi-Functional Merchandising Design

- High capacity merchandiser in a small footprint.
- Excellent for convenience stores and other formats.
- Product flexibility to meet changing menus throughout the day.
- Superior pastry visibility: Frameless door, LED lighting and shelf placement flexibility.

Functional Design

Trash, tissue, bag and box designed into front package ledge.

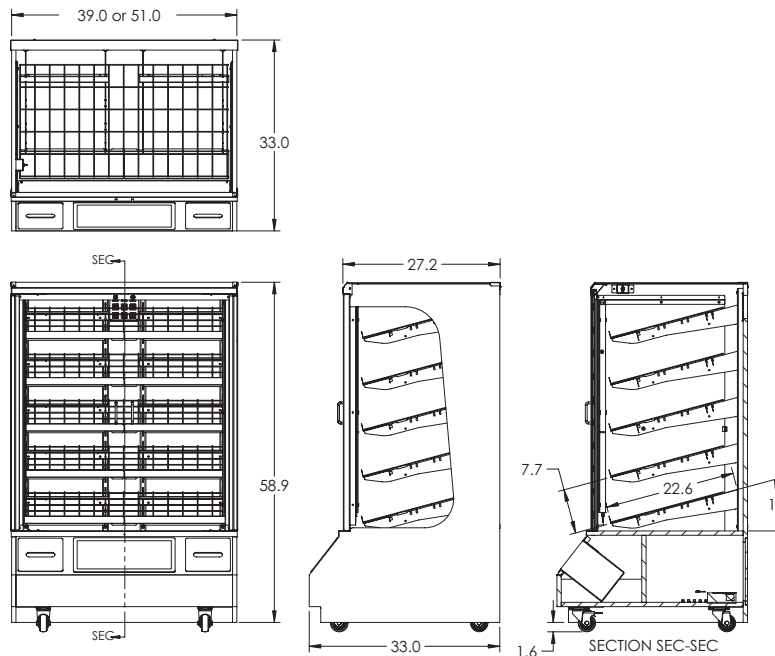

Shopper Friendly Hinge Design

Easy to open, low effort, self closing mechanism
Minimized hardware profile unobstructs and maximizes product view
Tight, no gap fit minimizes infiltration.
Improved reliability reduces maintenance costs

Superior Product Visibility

LED lighted mullions, frameless door and shelf placement flexibility

Excellent for C-Store and other formats
