Husmann R3 Family 3-Zone, High Volume Vertical Glass Service Deli Top, Multi-Deck, Self Service Front Merchandiser With Rear Storage

VR3HV-D

Designed to Maximize Creative Merchandising

Cube design allows for interchangeable merchandising solutions:

- Single or Two Shelf Display
- Bulk Display
- Step Display
- Other Accessories

Hinged French Doors and Large Rear Sliding Doors allow for ease of access to clean and stock

Reduced Maintenance and Greater Reliability with elimination of lift-up glass hardware

Increase Sales with FocalPoint™ (Patent Pending)
New adjustable multi-directional LED canopy light

Its All About the Food

Amazing all glass display allows food to be the feature presentation. All glass front and top ensure clear visibility of the product

Standard Lighting

NEW FocalPoint™ LED Lighting

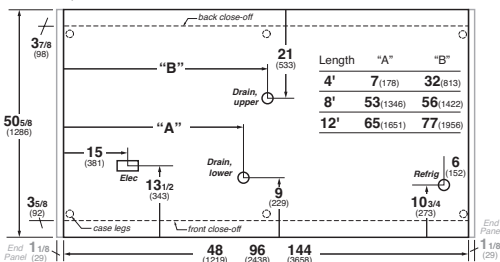

Provides the most effective way to highlight product facings across interchangeable merchandising

Remote Lengths: 4', 6', 8' and 12'

Husmann refrigerated merchandisers configured for sale for use in the United States meet or surpass the requirements of the DOE 2017 energy efficiency standards.

Some optional features may need to be certified by UL, NSF, and/or other 3rd party certification agencies. Contact Husmann for verification or questions for availability.

NOTE: These merchandisers are designed for use in stores when temperature and humidity do not exceed 75°F and 55% R.H. We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions, or replacements for equipment previously sold or shipped.

For additional resources, contact your representative or visit www.husmann.com.

Note.
Use Husmann's technical data sheets to get precise dimensions for all store layout purposes.
