

WI/WO

Excel Wedges for Single and Multi-Deck
Wall Model Merchandisers

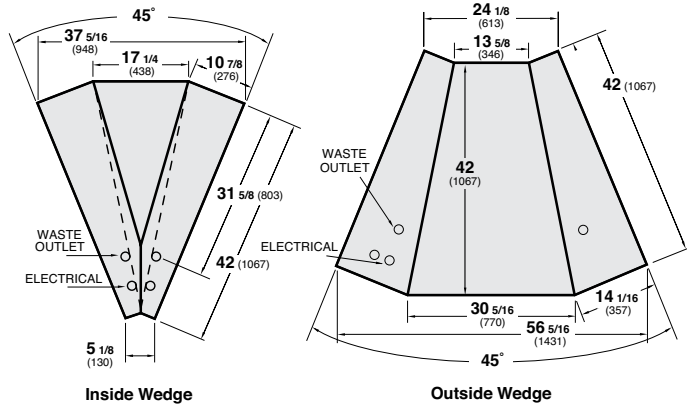

Hussmann Excel Wedges for Meat, Dairy, Deli, Produce and Convertible Wall Models

WO = Outside Wedge

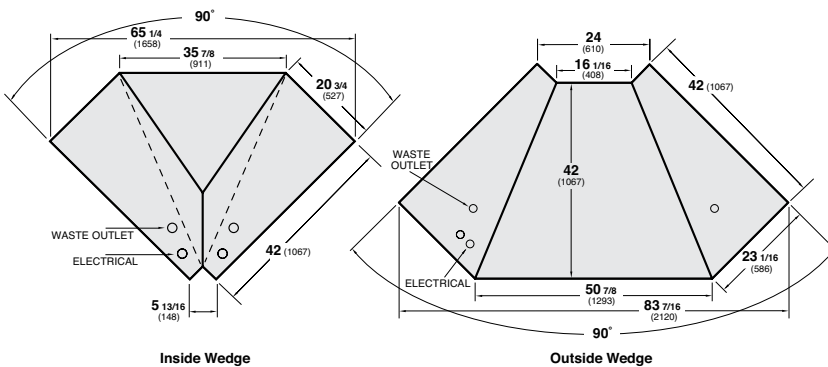

WI = Inside Wedge

45°, 90° = Degree of Wedge Angle

45° Wedge

90° Wedge

45° Outside Wedge

Hussmann Excel Wedges.

Excel wedges allow you to link angle case runs in creative ways to optimize merchandising effectiveness and direct traffic flow within the store.

Wedges are available for Excel medium temperature wall models. They are offered in 45° and 90° inside and outside configurations.

Options include lighting selections, bumper selections, solid and wire shelving choices, mirrors and many others.

DOE 2012
Energy Efficiency
Compliant

Hussmann refrigerated merchandisers configured for sale for use in the United States meet or surpass the requirements of the DOE 2012 energy efficiency standards.

NOTE: These merchandisers are designed for use in stores when temperature and humidity do not exceed 75°F and 55% R.H.

NOTE: We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions, or replacements for equipment previously sold or shipped.

For additional resources, contact your representative or visit www.hussmann.com.

Note

Use Hussmann's technical data sheets to get precise dimensions for all store layout purposes.
