Hussmann® merchandiser shelves are designed to support the maximum weight load limits as indicated in the table above. Exceeding these maximum weight load limits may cause damage to the shelf or shelves, damage to the merchandiser, damage to store products, and potentially create a hazardous condition for customers and staff. Exceeding the indicated maximum weight load limits constitutes misuse as described in the Hussmann® Limited Warranty.

The maximum weight load limits in the table above are for shelves used in merchandisers manufactured in Bridgeton, Mo. Maximum weight load limits may be different than the above table for shelves manufactured at other Hussmann® facilities.
